ORIGIN & MISSION

Founded with the core aim of enabling individuals to start and grow their own businesses without requiring significant upfront capital investment.

TARGET MARKET & FOCUS

Target Customers

Value-conscious online shoppers across Tier 2, 3, and 4 cities

Business Focus

Affordable online shopping combined with seller enablement

MAJOR CATEGORIES

Fashion

Home & Kitchen

Beauty

Kids & Baby Care

Business Model: Zero-Commission & Monetization

MONETIZATION & REVENUE

Ad & Logistics Driven

Revenue from seller ads & fulfillment services.

Monetization Mix

Ad fees, logistics & marketplace services.

CORE STAKEHOLDERS

Sellers & Suppliers

Manufacturers, suppliers, and MSMEs benefiting from zero-commission storefronts.

Customers

Value-conscious online shoppers across Tier 2, 3, and 4 cities.

VALUE PROPOSITION

Affordable & Accessible

Highly affordable products + broad selection for price-sensitive consumers.

Seller Enablement

Low-cost, seamless storefronts lowering entry barriers for small businesses.

OPERATIONAL & COST STRUCTURE

Major Cost Drivers

Logistics, customer acquisition/marketing, and technology infrastructure.

Fulfillment

Third-party logistics network.

Payments & Transactions

Supports Online Payments and Cash on Delivery (COD) for wider regional reach.

Delivery Model

Seller & logistics network integration.

Returns & Support

Simplified return/refund process to build buyer trust in regional markets.

Customer Support

Dedicated ongoing seller & buyer support.

ESTIMATED COST ALLOCATION BREAKDOWN

● Logistics & Fulfillment (50%)

● Marketing & Acquisition (30%)

● Tech Infrastructure (20%)

Unique Selling Proposition: Built for Bharat

STOREFRONT & PLAY STORE HIGHLIGHTS

Google Play Store Positioning

Meesho's listing explicitly highlights affordable products, free delivery, Cash on Delivery (COD), and a 7-day hassle-free return policy to drive trust among first-time shoppers.

Affordability & Unbranded

Hyper-focus on value merchandise distinguishes it from premium competitors, positioning it as 'E-commerce for Bharat'.

Community Trust

Asset-light, reseller-friendly origins built deep trust and brand advocacy within local community networks.

Accessibility & Simplified UX

The platform supports multiple regional languages and utilizes an intuitive, simplified app interface tailored explicitly for first-time internet users in non-metro markets.

Market Gap & Customer Need

BEFORE VS. AFTER MEESHO

Before Meesho	Customer Problem	Meesho Solution
Offline shopping	Limited product discovery	Online marketplace
Small sellers	Difficult to reach customers	Digital selling platform
Higher distribution barriers	Limited market access	Marketplace + logistics
Price-sensitive customers	Need affordable products	Value-focused assortment
Non-metro customers	Limited online options	Wider online availability

CUSTOMER BENEFITS

- More product choices
- Affordable products
- Convenient shopping
- COD option
- Online product discovery
- Return/refund facility

Technology & Innovation Framework

CORE TECHNOLOGY & BUSINESS USE CASES

Mobile App

- Product discovery & ordering
- Optimized layouts & interactive banners

Recommendation System

- AI-driven personalized feeds
- Tailored shopping experience per user

Logistics Technology

- End-to-end order tracking
- Third-party delivery route management

Data Analytics

- Actionable customer behavior trends
- Deep operational business insights

Search & Discovery

- Intent-matching algorithms
- Helps customers find products easily

Digital Payments & COD

- Faster digital transactions
- Wide COD payment accessibility

Seller Technology

- Seamless catalogue creation
- Inventory management & order processing
